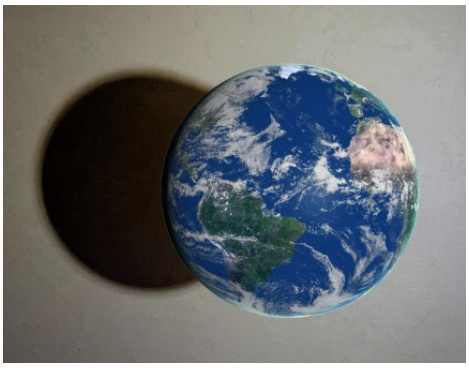
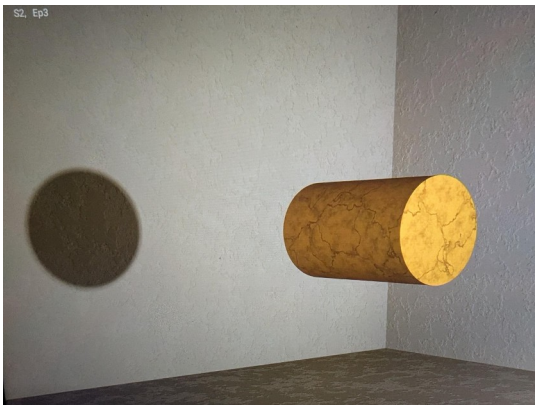
The Truth Is Out There

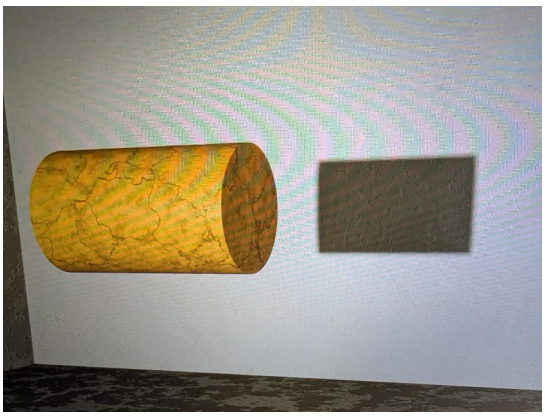


This study is trying to show an aspect of creation with the focus on seeing truths.
It will be shown how not having the full truths in a matter to judge not and become neutral in everything that goes on around you.
Picture 1 shows the earth casting a shadow. The shadow represents the good and evil, or positive and negative.
Since God is omnipresent, we can assume that He is present in Creation. God within the souls of creation, as well as the souls are within God. All created souls "see" good and evil beginning with their consciousness, and can choose for it to become reality.

Because you are IN creation, (pic 2) within the universe, you are a part of creation. You do not have all the truths because your only a part of creation even though you are linked with creation with God, and all is One.
Truths can not be fully seen unless all of the facts are presented. How much information is needed to at least be on a solid foundation of truths?



Looking at pic 3, from God's perspective, let's say the earth is a cylinder that represents an unseen part of creation because it is only seen from a different viewpoint or a different location.
Creation doesn't fully know because it doesn't have all the information.
The cylinder being God-God consciousness his self, manifesting creation. So the shadow circle represents good and evil as mentioned above.



Now looking at pic 4, we see from a different view or location, the shadow is in the shape of rectangle.
Those that see the rectangle shadow thinks it represents good and evil.
That's interesting because they also saw the round shadow and thought it was good and evil.
All souls are correct in what they "see" from their consciousness, but not Gods. Souls can not see Creation from God's perspective, and God seeing all, creation will be missing truths.

They don't have all the facts, even though they have access to them, they are still in truths.
God, Jesus, HS, and creation are all one consciousness. But as seen, we have or should have a Christ consciousness as written in 1Co 2:16.
Souls will never attain a God consciousness because their consciousness is an eternal Christ consciousness. Truths will be sought for eternity for all souls in their experiences of eternal life.

1Co 2:9-16 But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God. For what man knoweth the things of a man, save the spirit of man which is in him? even so the things of God knoweth no man, but the Spirit of God. Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned. But he that is spiritual judgeth all things, yet he himself is judged of no man. For who hath known the mind of the Lord, that he may instruct him? But we have the mind of Christ.

Psalms 51:6 Behold, thou desirest truth in the inward parts: and in the hidden part thou shalt make me to know wisdom.
Psalms 100:5 For the LORD is good; his mercy is everlasting; and his truth endureth to all generations.
Psalms 108:4 For thy mercy is great above the heavens: and thy truth reacheth unto the clouds.

Do souls have the understanding of Christ, or the mindset of humankind? Then is the thought followed by actions?
